

# McKeown E-News

*"WE DELIVER ON OUR PROMISE"*

Hi there from the McKeown Team,

We have been fielding a lot of calls and comments from customers telling us they are seeing our name popping up on fuel sites all over the south island and asking us what is going on so we decided to try an e news brief to better inform our customers as to what we are up to – so here goes.....

Where you see this sign on your travels you can now get petrol and diesel 24 hours a day, 7 days a week. McKeowns saw that the major fuel suppliers were hell bent on shutting smaller community sites down so we decided to either open them up again or build new ones in strategic locations and the communities have gotten behind us. The net result of this is McKeowns now have a network of McKeown CardFuel 24/7 sites throughout the south island and there are more on the way.

Our sites accept all of the major eftpos and credit cards as well as RD1 cards, McKeown Cards and all Cardlink cards including DualCards. To find out more about our network go to [www.mckeown.co.nz](http://www.mckeown.co.nz) or phone us on 0800 800 908

We have much pleasure in announcing the opening of our new McKeown CardFuel 24/7 **Gore** site in Hyde Street. The site has Regular 91 petrol and Diesel and is open to our McKeown customers and the public. The McKeown team are going to be onsite on Saturday 31<sup>st</sup> March with sausage sizzles and spot prizes so make sure you drop in to see us, have a snarler and we'll show you how to use your card.

We have changed the look of our card as some of you will have already seen to align it with the changing of our new brand image to 'McKeown'. Some customers have asked if it changes anything and we have been pleased to be able to assure them that "no we still charge you the same as always".

**Remember our McKeown Card gives you access to the largest network of outlets in New Zealand:**

- All Caltex service stations & diesel stops
- All Challenge service stations
- All McKeown CardFuel 24/7 sites

Our card is extremely competitive and easy to use so if you haven't got one and want to know more about it give us a call on 0800 800 908 or look us up on [www.mckeown.co.nz](http://www.mckeown.co.nz)

Attention all RD1 cardholders, McKeowns now accepts the RD1 SuperCard at all our CardFuel 24/7 sites and Caltex branded McKeown service stations. To find out more about it give us a call on 0800 800 908 or send us an email on [sales@mckeown.co.nz](mailto:sales@mckeown.co.nz)
