## **COVID-19 – Business Update**

Dear Valued Customers,

In moving forward with your requirements in light of the COVID-19 Pandemic.

**Yes we will still be delivering fuel to farms and our McKeown network sites.**

We ask if you can please help us make it easier for our drivers to do their job.

### **If you are expecting a fuel delivery**

- Ensure any gates are open to eliminate need of surface contact
- There is no stock in the same yard as your fuel tanks
- Please don't approach the driver while he is performing the delivery to ensure social distancing

### **For McKeown CardFuel 24/7 Sites**

- Please take your own personal precautions to eliminate surface contact i.e. sanitizers, gloves, paper towels when refuelling

### **For Customer to Oamaru Head Office:**

- To protect the health of our staff and yourselves, we ask that you please contact us via phone first to see if the stock you require is available rather than visiting the office.
- We currently DO NOT have any stock of hand sanitizer and are also very low on soap supplies. We are hoping to get more stock of these in the coming weeks

We appreciate your patience and understanding during this time. If you have any questions, please do not hesitate to contact us on 0800 800 908 or at [sales@mckeown.co.nz](mailto:sales@mckeown.co.nz)

Kind Regards,  
The McKeown Team
